# **APPENDIX**

## 2018 Business Report

The global economy has seen a high since 2018, including the OECD leading indicators began to decline at the beginning of the year, and the major think tanks have gradually lowered their economic forecasts for the future. The political uncertainty includes the continuously changing Sino-US trade war, the US-South Korea relationship, the US bipartisan confrontation, the Brexit and other issues, which have a huge impact on the capital market or the real economy. This also forced central banks with tighter monetary policies in early 2018 to gradually turn into a loose policy.

Looking ahead to the Taiwan economy in 2019, global uncertainties still exist and continue to change. Major economic forecasting institutions believe that growth in 2019 will not be as good as in 2018. Due to the high linkage between Taiwan's economy and the world, especially China and the United States are both Taiwan's major export markets, changes in the international situation will test Taiwan's economic performance, and whether the government can launch corresponding policies in a timely manner is another uncertainty. Directorate-General of Budget, Accounting and Statistics, Executive Yuan, R.O.C. (Taiwan) predicts that the economic growth in 2019 will be 2.27% (the real GDP will increase by NT\$380.8 billion compared with 2018), which is 0.14 percentage points lower than the forecast of 2.41% in November 2018. The GDP per capita is US\$25,229 and the CPI is up 0.73%.

Facing the uncertainty of economic and political situation, the Company's management team and all employees still adhere to the spirit of the Company, focusing on the improvement of product and service quality, deepening brand value, and continuously pursuing steady growth. Business performance for the year 2018 and the business plan for 2019 are hereby presented to the Company's shareholders as of follows:

### 1. Operating results for 2018

The Company's 2018 annual revenue benefited from the recognition construction completion of columbarium and cemetery products, and its performance remained outstanding. In addition, for the activation of assets and effective allocation of funds, revenue from non-operating activities also contributed to the growth of profit. The net profit attributable to the parent company was NT\$2.18 billion, an increase of 18.3% over the previous year. The net profit after tax was 46.2%, which was 3.5 percentage points higher than the previous year. Earnings per share reached NT\$5.19, reaching a new high in the past four years

As of December 31, 2018, the total consolidated asset was NT\$63.29 billion, increased by 18.0% compared to the previous year; the total liability was NT\$46.82 billion and debt ratio was 74.0%. It includes contract liabilities of NT\$37.76 billion. These contract liabilities are the nature of advance receipts and booked as unrealized income, and will be recognized as operating income once the funeral service is delivered or the permanent right of columbarium and cemetery is transferred to the client upon completion. The debt ratio was 35.49% if the company deducted the contract liabilities and relative asset amounts.

## 2. Summary of business plan for 2019

### (1) Operations guidelines:

- i. Carry out business plan to achieve business target
- ii. Optimize capital allocation to improve financial performance
- iii. Strengthen risk management to solidify business fundamentals
- iv. Improve operations management to enhance corporate value
- v. Fulfill corporate social responsibilities to polish corporate image

### (2) Executive summary:

#### 1. Carry out business plan to achieve business target

Exercise the merger effect of northern, central and southern cemetery; also, the cross integration of customers, channels, and commodities with unified funeral service provided to effectively increase product penetration rate. In addition, through the construction of pavilions throughout Taiwan area, combined with high-standard hardware facilities and high-quality services, the sales momentum will be strengthened to significantly increase the market share. At the same time, we will replicate the successful experience of Taiwan and actively explore overseas markets to become the best funeral service provider in Greater China.

#### 2. Optimize capital allocation to improve financial performance

Closely watch the capital market for appropriate opportunities to plan for suitable funding so as to elevate financial performance. Provide sound operational management procedures in accordance with the latest regulations so as to strengthen operational efficiency. And activate the efficiency of assets through selling investment properties to fulfill the profits of long-term investment and invest more capitals in expanding the core business.

#### 3. Strengthen risk management to solidify business fundamentals

Strengthen the functions of internal audit and internal control, substantiate corporate governance, review and modify the risk management regulations and update the internal control operating procedures in a timely manner in order to enhance risk management capability.

#### 4. Improve operational management to enhance corporate value

Promote human resources exchanges and talents incubation plan within the Group to develop the cross-industry management talent needed, enhance manpower capital, and strengthen competitiveness. Utilize information technology for integrating workflow and service innovation to ensure competitive advantage. Exercise the bargaining power of procurement, effectively reduce operating costs and maintain the Group's long-term stability of profit growth.

#### 5. Fulfill corporate social responsibility and optimize corporate image

Work with the Government to execute the policies and improve the quality of this industry, to convey business philosophy by combining it with public service, to exercise the synergy of

business operations, to continuously feedback to the society, to serve the citizens, and to fulfill the satisfaction of customers, employees, shareholders and other stakeholders.

(3) Estimated production and sales in 2019 (including subsidiaries)

Unit: SET

Product Name	Targeted Sales Unit
Columbarium	6,063
Cemetery	210
Preneed Funeral	12,448
<b>Total</b>	<b>18,721</b>

### 3. The Company's development strategy

In 2019, we will continue to focus on the planning and design new columbarium and cemetery products, actively launch diversified products in different regions and at different price to meet the diverse needs of different consumer groups, supplemented by a combination of preneed funeral contract. Under the philosophy of integrated funeral services of the entire country, we shall further effectively augment the benefits of Lungyen brand logo. In addition, through the combination of high-standard pavilions hardware facilities and high-quality services, sales momentum can be strengthened, and insurance multi-sales channels can be expanded. As a result, our core business market share will continuously expand to maximize economic benefits and enhance company profitability.

Through the diversification of sales methods and products, the Company will continue to promote the concept of funeral industry reform and solidify the concept of preneed funeral contract, and strive to improve the quality of the industry to achieve the purpose of continuous growth of performance; in addition, the Company will continue to strengthen the internal control and requirements of service quality, deepen the brand value, and then deepen the broader consumer base to increase market share.

As Taiwan moves towards an aging society, and the problem of lower fertility rate becomes more serious, it will be conducive to the increase in the demand for preneed funeral contracts. In addition to the life service business as the foundation, the Company will gradually expand its operation into related businesses in the life service industry with a steady spirit. On the other hand, in addition to firmly operate Taiwan's existing market, it will replicate Taiwan's successful experience to actively expand the mainland China market, ally local superior teams to implement the Wenzhou project and continue to develop other high-quality projects to achieve the goal of becoming the best funeral service provider in Greater China.

### 4. Impact of external competitive environment, regulatory environment and the macro business environment

Over the years, the Company has been committed to the reform of the funeral business, and to improve the overall industrial quality as a priority, to arouse the importance of consumer rights protection. The funeral business is being perfected under the relevant regulations by the domestic

authorities, which will help improve the efficiency of industrial management, prevent unscrupulous operators from depriving consumers of their rights and interests, and further protect Lungyen's long-term philosophy of integrity management. The Company has set up the Audit Committee, the Compensation Committee and the Corporate Governance and Nomination Committee under the Board of Directors. The responsibility of these committees is to ensure the effectiveness and appropriateness of the Company's internal control system and the appropriate reporting of financial statements, and to formulate and regularly review related issues regarding the performance evaluation and salary remuneration of managers, corporate governance operations, and the nomination and succession of board members, functional committee members and senior managers. These committees help to enhance the effectiveness and quality of the board of directors in corporate governance performance, and will take the international best practice as the benchmark to achieve outstanding performance as business operation.

The funeral business is a necessity for the people's livelihood; therefore, the sales performance is less affected by the economy. The aging population and the trend of declining birth rate are also the sales momentum of the funeral industry. In perspective, we will continue to uphold the business philosophy of professionalism, integrity and compassion to strengthen operating performance, solid operating foundation, generate outstanding business performance, create greater shareholders' equity, contribute to the prosperity of society and set the record again for national economic development.

Thanks to our shareholders for the support over the years and we do look forward to the continuing guidance and encouragement in the future. Thank you!

Chairman: Liu, Wei-Lung

President: Liu, Wei-Lung

Chief Accountant: Chan, Shu-Juan

**2018 Independent Auditor's Audit Report  
and  
Consolidated Financial Statements**

## INDEPENDENT AUDITORS' REPORT

To Board of Directors and Shareholders  
Lungyen Life Service Corp.

### Opinion

We have audited the accompanying consolidated financial statements of Lungyen Life Service Corporation and Subsidiaries (the "Company"), which comprise the consolidated balance sheets as of December 31, 2018 and 2017, and the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Company as of December 31, 2018 and 2017, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

### Basis for Opinion

We conducted our audits in accordance with the Regulation Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Emphasis of Matter

As mentioned in Note 3(1) of the Consolidated Financial Report, the Company first introduced the International Financial Reporting Standards 9 "Financial Instruments" on January 1, 2018 and chose not to restate the comparison period, thus we did not modify the audit opinion.

As mentioned in Note 3(1), the Company first introduced the International Financial Reporting Standards 15 "Revenue from Contracts with Customers" on January 1, 2018 and adopted the cumulative effect method rather restated the comparison period, thus we did not modify the audit opinion.

### Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended December 31, 2018. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provided a separate opinion on these matter. Key audit matters for the Company's consolidated financial statements for the year ended December 31, 2018 are stated as follows:

#### 1. Revenues Recognition

Accounting policies regarding revenues recognition can be found Notes 4 (18) Revenues Recognition; explanation for revenues recognition can be found in Notes 6 (20) Revenues.

Explanation for key audit matters:

The Company sells columbarium and cemetery products and provides funeral services, prepayments for products and services are paid by cash or installments. Timing of revenues recognition is judged by management team.

Besides, as being a listed company, the Company may be affected by external investors and debtors' expectation and internal performance pressure to inflate revenues, which may bring risks to revenues recognition. Therefore, examination on revenues recognition is one of our key audit matters when auditing the Company's consolidated financial reports.

Adaptive auditing processes:

- Examine whether revenues were recognized based on the Company's internal control process;
- Conduct the selective examination of sales orders, contracts and collection records to clarify whether revenues were recognized at a proper timing.

#### 2. Goodwill and Goodwill Impairment

Accounting policies regarding goodwill and goodwill impairment can be found in Notes 4 (15) Intangible Assets; estimation and uncertainty of assumption of goodwill and goodwill impairment can be found in Notes 5 (2); explanation of goodwill and goodwill impairment can be found in Notes 6 (11) of the consolidated financial report.

Explanation of key auditing matters:

The Company's goodwill and trademark were resulted from corporate acquisition; receivable amounts related to goodwill and trademark were estimated based on managers' subjective judgment thus including high uncertainty, which may result in material risks of inaccurate expression. For this reason, examination on goodwill and goodwill impairment is one of our key audit matters when auditing the Company's consolidated financial reports.

Adaptive auditing processes:

- Examine whether the cash generating unit and impairment test process recognized by managers were comprehensive and correct.
- Access the rationality of evaluation method adopted by managers to evaluate receivable amounts; access the accuracy of past forecast made by managers; examine calculating and accounting records of receivable amounts of cash unit evaluated by managers; access parameters used to estimate cash flow forecast and receivable amounts (eg. sales growth rate); and examine weighted average cost of capital and parameters thereon used in the impairment tests.

### **Other Matter**

We also audited the unconsolidated financial report of Lungyen Life Service Corp. as of and for the years ended December 31, 2018 and 2017 on which we have issued an unmodified opinion and an emphasis of matter.

### **Responsibilities of Management and Those Charge with Governance of the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the IFRS, IAS, IFRIC and SIC endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operation, or has no realistic alternative but to do so.

Those charged with governance (including members of the Audit Committee) are responsible for overseeing the Company's financial reporting process.

### **Auditors' Responsibilities for the Audit of the Consolidated Financial Statements**

Our objective are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matter, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2018 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determined that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Lungyen Life Service Corp.

We have audited the financial statements of Lungyen Life Service Corporation, which comprise the balance sheets as of December 31, 2018 and 2017, and the statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying individual financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2018 and 2017, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

### **Basis for Opinion**

We conducted our audits in accordance with the Regulation Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Highlighted Items**

As illustrated in Note 3 (1), the Company first applied IFRS 9 "Financial Instruments" on January 1, 2018 and chose not to restate the financial statements of the comparison period. We do not adjust the review results accordingly.

As illustrated in Note 3 (1), the Company first applied IFRS 15 "Revenue from Contracts with Customers" on January 1, 2018 and chose not to restate the financial statements of the comparison period. We do not adjust the review results accordingly.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended December 31, 2018. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provided a separate opinion on these matter. Key audit matters for the Company's financial statements for the year ended December 31, 2018 are stated as follows:

## 1. Revenues Recognition

Accounting policies regarding revenues recognition can be found Notes 4 (17) Revenues Recognition; explanation for revenues recognition can be found in Notes 6 (17) Revenues.

Explanation for key audit matters:

The Company sells columbarium and cemetery products and provides funeral services, and the products and services are paid by cash or installments. Timing of revenues recognition is judged by management team.

Besides, as being a listed company, the Company may be affected by external investors and debtors' expectation and internal performance pressure to inflate revenues, which may bring risks to revenues recognition. Therefore, examination on revenues recognition is one of our key audit matters when auditing the Company's individual financial reports.

Adaptive auditing processes:

- Examine whether revenues were recognized based on the Company's internal control process;
- Conduct the selective examination of sales orders, contracts and collection records to clarify whether revenues were recognized at a proper timing.

## 2. Goodwill and Goodwill Impairment

Accounting policies regarding goodwill and goodwill impairment can be found in Notes 4 (14) Intangible Assets; estimation and uncertainty of assumption of goodwill and goodwill impairment can be found in Notes 5 (2); explanation of goodwill and goodwill impairment can be found in Notes 6 (9) of the consolidated financial report.

Explanation of key auditing matters:

The Company's goodwill and trademark were resulted from corporate acquisition; receivable amounts related to goodwill and trademark were estimated based on managers' subjective judgment thus including high uncertainty, which may result in material risks of inaccurate expression. For this reason, examination on goodwill and goodwill impairment is one of our key audit matters when auditing the Company's financial reports.

Adaptive auditing processes:

- Examine whether the cash generating unit and impairment test process recognized by managers were comprehensive and correct.
- Access the rationality of evaluation method adopted by managers to evaluate receivable amounts; access the accuracy of past forecast made by managers; examine calculating and accounting records of receivable amounts of cash unit evaluated by managers; access parameters used to estimate cash flow forecast and receivable amounts (e.g. sales growth rate); and examine weighted average cost of capital and parameters (e.g. stock price) thereon used in the impairment tests.

### **Management's Responsibility for the Individual Financial Statements**

Management is responsible for the preparation and fair presentation of the individual financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers to enable the preparation of individual financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the individual financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operation, or has no realistic alternative but to do so.

The Audit Committee of the Company are responsible for overseeing the Company's financial reporting process.

### **Auditors' Responsibilities for the Audit of the Individual Financial Statements**

Our objective are to obtain reasonable assurance about whether the individual financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue and auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these individual financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the individual financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or

Appendix 5: 2018 Independent Auditor's Audit Report and  
individual financial statements

conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the individual financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

5. Evaluate the overall presentation, structure and content of the individual financial statements, including the disclosures, and whether the individual financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the individual financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matter, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the individual financial statements for the year ended December 31, 2018 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determined that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
